WHAT?

An intensive time from God's Word, followed by sharing, prayer and ministry in small groups. As teaching topics are brought up, small groups led by trained facilitators give opportunity for ministry in that specific area of the individual's life, marriage or family.

The seminar is conducted in a Friday evening and all day Saturday format. Please note that this is not a counseling ministry, but a Holy Spirit led ministry to the heart.

WHO SHOULD COME?

Anyone desirous of lasting change in their life, marriage or family should attend. Many times we see unpleasant or unhealthy patterns in our lives but don't know why they are there and/or can't seem to change. This ministry is designed to identify root causes and bring lasting change to these areas.

TOPICS INCLUDE:

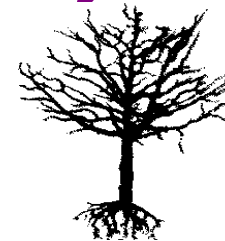

God's Purpose and Power of Blessing

7 Critical Times of Blessing

How to Release Blessing

A love offering will be taken during the seminar towards the extension of this ministry in Australia.

ABOUT THE PRESENTER:

Craig Hill and his wife, Jan, live near Denver, Colorado, U.S.A., where they give senior leadership to Family Foundations International (FFI), the ministry through which the life-changing Ancient Paths seminars are conducted throughout many countries of the world. Craig has also written several books, including the popular *Ancient Paths* and his newest book on marriage, *Two Fleas and No Dog*.

God has given Craig unique insight into marriage, family and interpersonal relationships. This results in his ability to identify, for many people, root causes of relational conflict, compulsive habits, low self-esteem, workaholism and undesirable life patterns which are repeated from one generation to the next.

By interweaving personal stories with biblical truth, God has anointed Craig to pierce through the veil of the mind to minister to the depths of the heart, resulting in lasting life change for many.

Special Note:

Because the teaching material and small group dynamics are sequential, and each session builds upon the last one, it is imperative that participants plan on attending all seminar sessions. Consequently, registrants who have missed the opening Friday evening session will not be admitted to the seminar later on Friday or on Saturday, and thus will forfeit their registration fees.

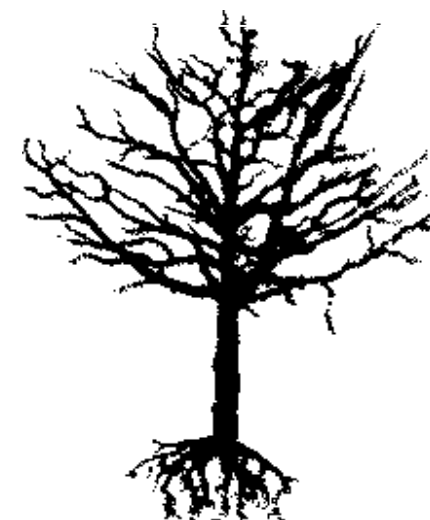

Child care is not available. We pray that you will be able to make appropriate child care arrangements in order to release you for the required seminar time.
